MILK (BANK) AND COOKIES

A 20TH ANNIVERSARY CELEBRATION

Twenty years ago, [Mothers' Milk Bank Northeast](#) began as an idea around a living room table. Today, we're one of the nation's largest accredited nonprofit milk banks, providing safe donor human milk to more than 100 hospitals and thousands of families across the Northeast each year.

This milestone is a testament to the milk donors, healthcare partners, philanthropic supporters, and advocates who have made this work possible and continue to move it forward.
